## SUMMARY

Experienced in Azure Cloud management, including VMs, subscriptions, and resource groups. Proficient in configuring Availability Sets/Zones, resizing VMs, managing virtual networks (VNETs), and setting up Network Security Groups (NSGs). Skilled in VM backups, adding disks. Also knowledgeable in MCSE tasks like Windows Server setup, Active Directory installation, and user/group management.

---

## SKILLS

MCSE    Azure Cloud    Networking    HTML    MS Word.

---

## KEY SKILLS - PRACTICAL KNOWLEDGE

- Azure cloud :-**
- 1) Managing Subscription, and Resource Groups.
  - 2) Creating Virtual Machine (VM) in Availability Set and Availability Zone and Resizing Virtual Machine Size.
  - 3) Resizing and Adding Disk of Azure Virtual Machine and give IP address of Virtual Machine
  - 4) Creating Virtual Network (VNet) & Subnet and Configuring Network Security Groups (NSG) .
  - 5) Taking Virtual Machine Backup using Snapshots and Azure Backup Service.
  - 6) Creating Virtual Machine Images and Configuring Azure Locks.

- MCSE :-**
- 1) Understanding of Workgroup and Domain.
  - 2) Installation and Configuration of Windows Server 2022.
  - 3) Installation of Active Directory and Creation of Domain Controller.
  - 4) Creation and Management of User, Group, and Organizational Unit (OU) etc.

---

## EXPERIENCE

**Web Development Internship** in Intern Crowd Llp

March 2023-April 2023

---

## EDUCATION

**Bachelor of Engineering, Information Technology**

Jun 2020 – Jun 2024

Parvatibai Genba Moze, College

CGPA :- 7.28/10

---

## PROJECT

Name : Mouse Cursor Controls using hand Gestures.

Description : In this Project we are used the media Pipe Technology. we use the Convolutional Neural Network algorithm. The primary motivation behind the project is to make computers easier to use for people with physical disabilities

Year : 2024 Semester VIII

Tools and Lang : 1) Laptop 2 )Python 3)Open CV 4) MediaPipe

Algo Used : Convolutional layer, pooling layer, fully connected layer

---

## Certifications

Completed “MCSE” course in Attari Classes

Completed “Azure Cloud” Course in Attari Classes

**Microsoft Azure Services and Lifecycles** Course Certified By Microsoft

**Introduction to Microsoft Azure Cloud Services** Course Certified By Microsoft

---
